(U//FOUO) The below letter concerns the recent article [Life in Alice](#) :

From : ██████████ ██████████)

(U//FOUO) For me it was a nostalgic return to the best assignment I've had in 30-plus years in this business.

(U//FOUO) Although it's been over 20 years since my 4-and-a-half year tour, and the place has changed a lot, ██████████ description of the Henley on Todd Regatta, the Camel Cup and fossicking for gemstones brought back memories of a lifestyle the quality of which I haven't lived since.

(U) I suspect you'll hear these sentiments echoed by 98 percent of the Alice alumni.
