(U) What's Happening in Data Acquisition (S3)

FROM: Marjorie Forbes

Data Acquisition Chief of Staff (S3)

Run Date: 09/09/2005

(U) Here's the first "monthly update" from SID's Deputy Directorate for Data Acquisition:

(U//FOUO) In the summer of 2005 many changes occurred within the Data Acquisition front office. First and foremost, they relocated to the first floor of OPS 1 in Room 1N051 where they joined the Assistant Deputy Director for Data Acquisition, the staff, the DA Extended Enterprise Team, the forward-deployed Registry team and the Strategy and Business Management personnel.

(U//FOUO) In August, our Deputy Director, moved to an exciting new position as the Deputy, Assistant Deputy Director for National Intelligence, Technical Means. We honored with an Open House on 7 September. I am sure we'll continue to see and witness his wisdom and guidance on critical issues.

(U//FOUO) Replacing as the Deputy Director, Data Acquisition is **Mr. Jim Cusick.** He served as the Assistant Deputy Director for the past two and a half years and prior to that was involved in a unique series of assignments, most recently as the NCR Defense. Mr. Cusick also served overseas in the mid to late '80s. You can learn more about him by visiting the <u>S3 Home page</u> and clicking on "About S3."

(U//FOUO) Joining the leadership team, as the Assistant Deputy Director Data Acquisition, is **Mr. Rick Ledgett**, recently returned from Hawaii, where he was the NSA/CSS Representative Pacific Command (NCPAC).

(U) Please take the opportunity to welcome both gentlemen to their new assignments.

(U//F	OUO) Jim	Cusick	(U//F	OUO)	Rick	Ledgett
