(U) Now Available: Updated Guidance on SIGINT Capabilities Development

FROM: █████████
Deputy Staff Chief, SIGINT Policy (S02L1)
Run Date: 09/13/2005

(U) Have you been wondering how to identify, prioritize, and document current and future SIGINT capabilities? The answers you need are now available in the **updated version of SID Management Directive 401,** "SIGINT Capabilities Development System," dated 9 June 2005. This document is accessible on the NSA/CSS Intranet via this link:

SID Directive 401

...or by typing "go sigint-policy" and clicking on the appropriate hyperlink.

(U//FOUO) This version supersedes the previous Directive 401, "SIGINT Operational Requirements Generation and Validation," dated 7 March 2002. The policy establishes guidance and assigns responsibilities for developing SIGINT capabilities and applies to all SIGINT components of the NSA/CSS Enterprise, and to all current and future capability acquisition efforts, regardless of cost.

(U) The POC for SID Management Directive 401 is ███████████████ D/Chief, SIGINT Acquisitions and Capabilities (S01R), ██████████ Additional information about requirements/capabilities can be found on the S01R website by typing "go sr".
