(U//FOUO) Developing the governance framework for the US SIGINT System, and imparting the concept of governance to the workforce, has been one of SIGINT Director Major General Quirk's primary initiatives.

(U//FOUO) SID *today* would like to present you with one-stop governance shopping! Here are links to the governance videos and SID *today* articles that have been published to-date:

### Videos :

- [What is Governance?](#) : This video introduces Governance to the workforce and presents the perspectives of leaders within SID and throughout the Enterprise.
- [Gearing Up For Governance](#) : Sit in on a chain-training session conducted by MG Quirk. This 1-hour video contains "What is Governance?".
- [Governance in Action - SCOR 2005](#) : The Governance concept reads well in theory, but does it really work? Yes, it most certainly does! Let us share some real-life Governance success stories in this video.
- [USSS Governance - Mission Discernment](#) : This video details the Governance process responsible for weighing and prioritizing national-level requirements that have been levied on the SIGINT System. Results of the Discernment process are recorded in monthly Strategic Mission Lists - the basis for all SIGINT decision-making.
- [USSS Governance - Mission Assessment](#) : The Assessment process allows the SIGINT System to regularly evaluate and improve the performance of targets identified in the Strategic Mission List. View this short production to learn more!

(U//FOUO) All videos are closed-captioned and are accessible via the [Governance Homepage](#) - just type "go governance"!!
